

Go for bountiful gains this season and be a winner. Make most of the exciting offers on eligible Microsoft products to leverage technology to accelerate your growth.

O365 E3 to E5 Step-up Offer

- **E5 Step-up Offer** - We are excited to introduce a compelling new promotional offer for Office 365 E5. The Office 365 E5 Step Up Promo provides the following components of Office 365 E5 at an **estimated retail price of \$10 per user per month** step up from Office 365 E3.
 - **Advanced Threat Protection (ATP)** helps defend your data against malware and viruses and safeguard your messaging system
 - **Advanced Security Management** provides enhanced visibility and control into your Office 365 environment
 - **Advanced eDiscovery** with Predictive Coding and Text Analytics
 - **Advanced Data Governance** with intelligent insights for policy recommendations and classifications
 - **Customer Lockbox** allows the customer to Approve or Reject access request made by the Microsoft Support engineers to access customer data
 - **MyAnalytics** helps you focus on what matters most by providing personalized insights about how you spend your time at work
 - **PSTN Conferencing** allows people to call into Skype for Business meetings using a phone, instead of using the Skype for Business app on a mobile device or PC
 - **Threat Intelligence** provides Interactive tools to analyze prevalence and severity of threats in near real-time and leverages the Microsoft Intelligent Security Graph, which analyzes billions of data points and other incidents that impact the Office 365 ecosystem

This offer delivers an **estimated retail price of \$29 in standalone** value across Security, Voice and Analytics at a deep discount.

Terms and Conditions –

- Offer Valid till 29th June, 2017
- New, renewing and existing Office 365 E3/E4 customers
- EA / EAS Customers Only managed under Corporate Accounts
- Customers must first purchase or add Office 365 E3/E4 seats prior to using the Office 365 E5 Step Up Promo

Advanced Compliance SKU

- Introducing a new SKU for Office 365 **E5 Compliance**. The Advanced Compliance SKU provides the following components of Office 365 E5 at an **estimated retail price of \$8 per user per month** step up from Office 365 E3.
 - **Advanced eDiscovery** with Predictive Coding and Text Analytics. With Advanced eDiscovery, you can better understand your Office 365 data and reduce your eDiscovery costs. Advanced eDiscovery helps you

analyze unstructured data within Office 365, perform more efficient document review, and make decisions to reduce data for eDiscovery.

- **Advanced Data Governance** with intelligent insights for policy recommendations and classifications. ADG leverages classifications and machine assisted insights to help organizations keep what's important while leaving behind redundant, obsolete and trivial data.
- **Customer Lockbox** enables customer to Approve/Reject access request made by Microsoft Support engineers to access customer data

Terms and Conditions -
